Conquering Behaviour, Social-Emotional, Mental Health. (CBSMH)

by Behaviour UK / Bournemouth
University

Free

DATE AND TIME	LOCATION
Wed 27 June 2018 12:30 – 16:30 BST	K103 - Kimmeridge House Bournemouth University Bournemouth BH12 5BB

Description:

We would like to invite you to a short networking/stakeholder event to explore the potential for a new method of managing **behaviour, social-emotional resilience and, mental health support for young people** within the school environment.

- **A digital solution is being investigated in a pilot project here in Dorset** and we would like your help to shape this innovative solution.
- Delivered primarily for use via **Primary and Secondary schools, PRUs and Learning Centres with scope for wider use for children and young people (CYP).**

Education/schools/supporting agencies and most importantly young people's collaboration plays a vital role. **Through new technology, we're looking at the development of a cutting-edge platform and resources to support a range of learning styles, to be pioneered in Dorset,** addressing:

- Behaviour, Pastoral Care,
- Inclusion,
- Social-Emotional and Mental Health(SEMH),
- Behavioural, Emotional and Social Difficulties (BESD),
- SEN.
- Safeguarding.
- Prevent Agenda. (Cyber Security)

A key fundamental aspect of the capabilities will be to address **Adverse Childhood Experiences (ACE) and mental health objectives.**

The unique combination of the state of the art techniques from behaviour psychological analysis, learning management systems and artificial intelligence to provide a holistic system gives this solution its disruptive and game changer quality.

- Such a combination of techniques has not yet been used in the field of education and welfare in such a unique way.
- Working with key objectives, multi-stakeholder collaboration, interagency efficiencies there's a unique opportunity here to be truly innovative and for Dorset to be the pinnacle.

We are looking to work with a range of partners;

A small range of schools from the conurbation and rural, BU various departments, Local Authorities representatives (MASH, Children & Young People, Education, Social Services), Dorset Police, Public Health Dorset, Dorset MIND, various support organisations and independent subject matter experts.

Agenda:

12:30 -13:30 - Lunch & Networking.
 13:30 -14:15 - Information from Project Team.
 14:15 - Coffee / Chat.
 14:30 - Group Interactive Workshop Session and Discussions.
 16:15 -16:30 Summary/Conclusion
 16:30 – Networking.

We hope you or representation from your organisation can make this exciting event.

- As this is a private event, details are not public apart from those invited.

- Each person can bring 5 guests so even if you can't make it register and forward ticket/details on to those who can.

- If there's someone you believe we should invite, please contact us with their details and we can send an invite.

Parking:

There is parking for each confirmed attendee.
 By following the link, you can see a map of the visitor & event car park next to Talbot House,
