

PRE-HISTORY WEEKEND

WHEN:

**Saturday March 24th &
Sunday March 25th
10am - 4pm**

WHERE:

ANCIENT TECHNOLOGY CENTRE

Damerham Road, Cranborne, Dorset BH21 5RP

(Track to the left of Cranborne Middle School)

This is a rare opportunity for all the family to experience 'life in the Stone Age - Iron Age' at this unique site:

Stone Age re-enactors will provide a glimpse into prehistoric times: cooking methods, bronze casting, pottery and much more.

Experienced flint-knappers will be demonstrating different techniques for creating blades and axe heads, together with fire making and hide scraping.

Other hands-on activities include: textiles - weaving and spinning, cordage bracelet making and prehistoric archery.

FEATURING • Albion Historical Falconry • Pario Gallico - Ancient Cookery • Sussex Past • Ancient Wessex Network • Dorset County Council Archaeologists • Vicus • Ancient Technology Centre Volunteers Association • Trade Tent
